Thank you to our Corporate Partners, Volunteers, ULPBC Board Members, GUILD, and Staff for supporting our 2nd Annual Summer Food Drive in West Palm Beach, Delray Beach, and Belle Glade, it was a huge success. Volunteers like you genuinely change the world, and we are forever grateful. A heartfelt thank you to WPTV News Channel 5 and their entire staff, Guardians of the Glades, KOP Mentoring Group, the Host Committee, Corporate Partners, ULPBC Board Members, GUILD, and Staff.

We raised \$50,000 to purchase food through our partner Cheney Brothers. We also distributed over 150 lbs. of food to 2,000 families experiencing food security issues. A big thank you to Restoration Bridge International for providing additional food times at our Belle Glade location. For more than 65 years, Enterprise Holdings has been moving mobility forward. What began with a small fleet of cars in 1957 has expanded to a network of mobility solutions that serves customers in more than 90 countries and territories around the world. Over the years, Enterprise Holdings has learned that moving forward isn't a simple matter of going from point A to B. Today, mobility is the movement of people and goods. It

There's more than one way to ensure our communities thrive. At Enterprise Holdings, we have a mission to support our neighborhoods in as many ways as we can. By using our local lens to address even the biggest social challenges, we're able to maximize our impact: through funding crucial programs, encouraging a culture of volunteerism among our teams and empowering employees to identify the areas of giving most important to them.
