Local Mitigation Strategy Working Group to Hold General Meeting

On Wednesday, Sept. 27, 2023, from 9 to 10:30 a.m., the Palm Beach County Local Mitigation Strategy (LMS) Working Group will hold a general meeting of its public and private sector membership. This meeting is open to the public. Topics of discussion will include Fall 2023 Prioritized Project List (PPL), LMS2024 revision, LMS attendance requirement and the Herbert Hoover Dike Rehabilitation project completion presented by the U.S. Army Corps of Engineers.

The Palm Beach County Public Safety Department's Division of Emergency Management coordinates the LMS Working Group comprised of county, municipal and community partners. The purpose is to prepare and promote local strategies and projects that will reduce long-term risks to life and property from natural, technological and human-caused hazards. The resulting pre- and post-disaster mitigation strategies and projects are supported by a variety of state and federal programs and funding sources, in accordance with the Disaster Mitigation Act of 2000.

This meeting will be located at West Palm Beach City Hall, Flagler Gallery, 401 Clematis Street, West Palm Beach, FL 33401.
