

Announcement of August 2018 Mentoring Mini-Grant Release!

The Mentor Center is excited to announce the release of a *Mentoring Support Opportunity*. In looking to increase access to a post-secondary credential attainment, Achieve Palm Beach County is working with United Way's Mentor Center to increase both quality and capacity of mentoring programs within our county's underserved population of young men and boys of color, primarily. Through this effort we are able to offer this competitive application process to organizations looking to fund **projects impacting high-school aged youth and their access to post-secondary credential attainment**. Complete details regarding organization eligibility can be found in the guidelines document.

Attached you will find:

- Mentoring Support Opportunity Guidelines (PDF and Word Doc. formats)
- Mentoring Support Opportunity Application form (PDF and Word Doc. formats)

Completed applications and supporting documents are due via email to SydneyCongdon@unitedwaypbc.org by 5:00pm on August 27, 2018 with the following subject line: *Mentoring Support Opportunity – [Name of Organization/Program]*. Funds will be distributed by September 30, 2018.

As always, please feel free to contact me or Gary Graham (garygraham@unitedwaypbc.org) with any questions.
