## Introducing a New Events Experience for [www.pbclibrary.org](http://www.pbclibrary.org)

Something new and exciting is coming to [www.pbclibrary.org](http://www.pbclibrary.org)!

Beginning Monday, July 17, 2023, the Palm Beach County Library System will be hosting a new and improved event system for residents available directly through [www.pbclibrary.org](http://www.pbclibrary.org).

Signing up for Palm Beach County Library System activities has never been easier. To ensure that residents can find the activity perfect for them, the new event system offers a variety of ways to discover activities based on type, language, location, audience and more. Residents will also be able to register online for all activities that require preregistration. A friendly reminder that all Palm Beach County Library System activities, in-person and online, are free.

This service enhancement is part of a larger project to overhaul the Library's entire website set to launch in early Fall 2023. For those who do use the new event system, you might even find a sneak peek of the Library's new website.

Visit [www.pbclibrary.org/events](http://www.pbclibrary.org/events) on Monday, July 17 to see the exciting updates for yourself!
