

Foster Families and Foster Kids Eligible for Free Camp

Camp Anderson in Partnership with Florida Coalition for Children and One Voice IMPAACT is offering about 850 free camp sponsorships for Child Welfare students, guys and girls ages 12-18. These sponsorships will be given away on a first come first served basis.

Please forward this email to the foster care leaders in your organization (foster care families, program directors and caseworkers etc.) that would help the eligible Child Welfare Kids sign up for this free Summer Camp. These sponsorships are for Child Welfare Kids in Florida/DCF/Florida Coalition for Children/CBC Agency/FSFAPA. Free sponsorships must have a current DCF or CBC caseworker to be free.

If you have a student that is not part of the child welfare system in Florida, then they can still come to camp by paying the camp fee.
