

Full Career Scholarships Now Available To Those Who Qualify

PC Professor has been approved to participate in a large job training grant to provide technology skills to the South Florida workforce.

If you know someone who is unemployed and lives in Broward, Palm Beach, Martin or Port St. Lucie County, Florida, please have them contact us soon! Our school is eager to help provide in-demand, high-tech job skills, but this is a limited time opportunity & applications are processed in the order they are received.

Eligible career courses include:

- A+ & Network+ certifications (Computer Repair & Technical Support)
- MCSE: Cloud Platform & Infrastructure (Windows Server 2016)
- CCNA: Hands-on Cisco Networking
- MCSD: App Builder (Programming in C#, HTML5, JavaScript, CSS3 & ASP.net)
- Database: Data Analytics & Management (SQL Server 2016)
- CIW Webmaster (WordPress, Photoshop, HTML, CSS, JavaScript, SEO & more)
- Desktop Software (Windows, Word, Excel, Access, Project, Outlook & QuickBooks)

If approved for the vocational grant, all expenses will be covered including tuition, books, registration fees, job placement assistance, phone support, lab time & certification exams (if applicable) with zero out-of-pocket. The funding application window is currently in progress.

Informational orientations at our Boca Raton and West Palm Beach campuses are being scheduled now. Here is a link to get started. Upon receipt, you will be contacted by a PC Professor Admissions Rep to arrange a seat at a free upcoming session.

Thanks, in advance, for your help in getting the word of this unique funding opportunity out to those seeking a new career in the computer industry.

Best wishes,

Howard Fellman
Academic Dean
