

## COVID 19 Lunch and Learn

Health Council of Southeast Florida and Healthier Glades have partnered to host a COVID 19 Lunch and Learn where we will have a local physician share experiences of residents hospitalized and how it is affecting the health care system.

The purpose of the lunch and learn is to create a space for residents to ask questions about the following:

- Vaccine/Boosters
- Variants
- Signs and Symptoms between the initial virus and the variants
- Preventions/Treatments

Here is the link to join the meeting. This will also be a Facebook Live event. Please share among your networks.
