Institute for Clinical Training

You Can Learn Online at Your Convenience!

Through **weLEARNplay**, Center for Child Counseling offers online continuing education for caregivers, students, and professionals who would like to improve their skills and ability to effectively work or interact with children and families.

Supporting Children During COVID-19

Online Workshop

Your effectiveness as a parent or caregiver is seldom more important than during times of crisis like the current Covid-19 outbreak. Now, more than ever, the children in your care are looking to you to provide stability and soothe their fears and anxiety. Your parenting skills can dramatically impact the healthy development of your children and can have lifelong mental and physical health implications for them.

This free online workshop will focus on different strategies in supporting children during COVID-19 pandemic.

Play Therapy with Families

Online Workshop

Most challenges presented by children are really family challenges. Since most of a child's experiences in life are controlled by the adults in their world, it makes sense that working together as a family group will provide the best possible outcomes for a child.

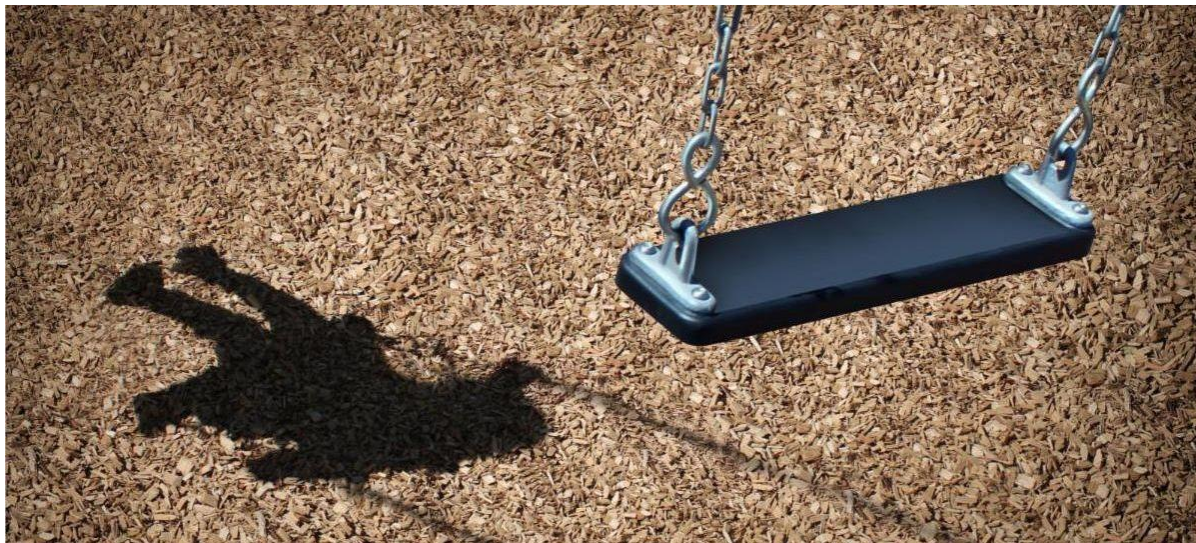

This online 1 hour workshop will focus on using play in sessions with families. Specific activities and strategies will be explored. Earn 1 non-contact APT and CEU!

Cost: \$25 - 1 State of Florida CEU and **non-contact APT** included.

Student discounts are available.

Please **[email us](#)** with your name, school, and a request for a 30% student discount code.

Trauma and Play Therapy

Online Workshop

According to SAMHSA, in the United States 61% of men and 51% of women report exposure to at least one lifetime traumatic event. 90% of clients in public, behavioral health care settings have experienced trauma. Based on what we know about the prevalence and impact of trauma, it is necessary to ensure widespread adoption of trauma-informed practices and care.

This online, 1-hour workshop will focus on using Play Therapy with clients (of all ages) who have experienced trauma. Specific activities and strategies will be explored. Earn 1 non-contact APT and CEU!

Cost: \$25 - 1 State of Florida CEU and **non-contact APT** included.
