The cruel and arbitrary terminations of DACA and TPS impact the lives of millions. While the push for permanent legislative solutions for both DACA and TPS continues, **organizations and institutions must support communities to process DACA Renewal and TPS Re-registration applications via community-based immigration legal workshops as the deadlines fast approach** --- March 19th, 2018 for TPS recipients from El Salvador and Haiti and mid-to-late June 2018 for DACA Renewals, if the Supreme Court takes on the case.

Please join this National Field Webinar on Tuesday, February 27th at 4 PM ET to hear from groups across country about the current policy and organizing updates for DACA and TPS, learn how institutions across sectors are providing community-based legal services for DACA and TPS recipients, discuss tools and resources available, and find out ways to get involved in the fight and support your neighbors.

Speakers will include:

- **Emily Gelbaum**, Chief of Staff, National Partnership for New Americans (NPNA)
- **Rita Medina**, Senior Legislative Associate, Center for Community Change
