Information Session

Please join Impact 100 of the Palm Beaches and the Community Foundation for this free information session as we review the grant guidelines, explain the application process and answer questions about the high-impact grant from Impact the Palm Beaches.

On January 31, 2019, high-impact grants of up to $100,000 will be awarded to successful nonprofit applicants in one or more of the following focus areas: Arts & Culture; Education; Environment; Family and Health & Wellness.

After a thorough review process, the grant recipient will be selected by majority vote of all Impact the Palm Beaches members at its Award event.

Eligible projects or programs must be implemented and serve residents of Palm Beach County (Lake Worth Road north to the Martin County line).

To apply you must be an active 501(c)(3) for a minimum of 19 months.
