

Legal Aid Society Upcoming COVID-19 Legal Rights Webinars

Good afternoon and I hope you and your families and staff are staying safe and healthy.

The Legal Aid Society will be presenting a series of Zoom webinars over the next two weeks to assist individuals and families with protecting their legal rights during the COVID-19 pandemic.

The webinar information is below, and I have also attached PDF and jpeg versions to this email. Please feel free to share this information with your staff, clients and partner agencies.

Individuals can register for the webinars by [clicking here](#) and can register for as many webinars as they'd like (Note: Each webinar must be registered for individually by re-using the same link).

We continue to post updated COVID-19 legal information and resources on our [website](#), and if you know of individuals who are in need of legal assistance, please ask them to call (561) 655-8944 or to fill out an online application for legal assistance by visiting www.legalaidpbc.org/onlineintake. This application is available in English, Spanish and Haitian-Creole.

Please feel free to contact me with any questions or with any assistance that we can provide.

Take care and stay well.
