PRESS RELEASE ON NATIONAL HEALTH INITIATIVE

Percyell Pratt, President of Global Health and Community Service, Inc. and Monica McCoy, President of the Palm Beach County Chapter of Florida A & M University Alumni Association are excited to announce their **National Health Initiative** entitled “**Take a Friend to the Doctor.**” This initiative is set up to promote health and wellness and encourage you to **Take a Friend to the Doctor.**

The month of October is National Breast Cancer Awareness Month. To kickoff this initiative, we encourage you to **Take a Friend to the Doctor** and ask about breast cancer screenings. It is important to be healthy, and we ask you to join us in this initiative
