Kevin Hines was diagnosed with bipolar disorder and years later attempted to take his own life by jumping off the Golden Gate Bridge. Kevin states, "The first moment of freefall I knew it was the worst mistake I ever made." Kevin is an award-winning global speaker, best-selling author, and documentary filmmaker.

Dr. Jeremy Richman believes that it is critical to empower youth to advocate for themselves and their peers when it comes to brain health and brain illnesses. Dr. Richman and his wife Jennifer started the Avielle Foundation in memory of their only daughter Avielle.
