**DID YOU COMPLETE THE U.S.CENSUS?
HELP SPREAD THE WORD TO COMPLETE THE
U.S.CENSUS**

Completing the 2020 U.S. Census is important! It shapes our future. In our country, everyone counts no matter who you are, what you do, how you worship, or whom you love. We all count! Community Health Workers play an important role to help increase the number of census participation. Share and ask your clients, families and friends to complete.

Count everyone under your roof.

Hundreds of billions of dollars are at stake every year for the next 10 years.

The results of the 2020 Census inform funding and planning for new clinics, school lunch programs, emergency services, and more. So make sure you count everyone living in your home as of April 1, 2020.

Uninsured Children Due to COVID-19?

During this time, we are aware that many families are affected by the COVID-19 pandemic and may have lost employers' health coverage for their children. This is the time to take

advantage of the opportunity to apply for the Florida KidCare health program. Apply now! It's about the real people whose lives are made better through access to quality, affordable, child-centered health insurance.

Is Your Child Uninsured due to Coronavirus (COVID-19)?

HEALTH AND DENTAL INSURANCE

Head-to-toe coverage for all Florida kids from birth through the end of age 18, even if one or both parents are working.

Most families pay nothing at all, and many families pay just \$15 or \$20 a month.

Full-pay options are also available.

With year-round enrollment, the time to apply is always now:
