

# New Palm Tran Service Starting September 30, 2018

As part of Palm Tran's first major service change in 22 years, the Route Performance Maximization (RPM) project, is making getting around by Palm Tran a whole lot easier! The changes will extend evening service times, improve service frequency, add weekend service, and improve bus schedules and on-time performance in Palm Beach County.

RIDE PALM  
TRAN ROUTE

47

Changes in service for this route are listed below:

- Modified to serve nearly all stops previously served by the Route 48
- Route 48 will be eliminated
- Route 48 stops not served by the Route 47 will be served by new FLEX service or Dial-a-Ride service
- Operates from Canal Point to South Bay
- Connects with Route 40 and the FLEX routes in Pahokee, Belle Glade, and South Bay
- Operates 7 days a week; every 30 minutes weekdays and hourly on weekends

See link for RPM service changes:
