

2020 MATTERS

Hot Topics: **“NEWS: Separating Fact from Fiction”**

If you feel overwhelmed by the number of news sources available . . . if you hear conflicting reports and don't know which to believe . . . if you can no longer believe your eyes because you know digital technology can alter photographs, this presentation will help you learn to separate fact from fiction.

August 19, 2020 – 12:00 PM via Zoom

REGISTRATION REQUIRED

Charlene (Char) Griffin

Char is a member of the LWV The Villages/Tri-County and currently serves as webmaster for the group. Since joining the League, she helped to create the first digital Voter Guide in the Tri-County area. Char is a retired systems analyst, former chair of a college computer department, and has been a Voter Guide user since she was 21.

This presentation was created by Char and her colleague, Gail Formanack, both members of the LWV TV/Tri-County. We thank the League for its cooperation in bringing this informative and important presentation to the residents of Palm Beach County.
