EEOC representatives are available on a limited basis at no cost to make presentations and participate in meetings with employees and employers, and their representative groups, as well as community organizations and other members of the general public.

Through the [EEOC Training Institute](#), EEOC provides fee-based training and technical assistance programs throughout the country, and has training and technical assistance materials available.

La Comisión para la Igualdad de Oportunidades en el Empleo de los Estados Unidos es la agencia principal encargada en hacer cumplir las leyes federales que protegen a los solicitantes de empleo y a los trabajadores de la discriminación. También ayudamos a educar a los empresarios sobre cómo prevenir la discriminación en el lugar de trabajo antes de que se produzca.
