QUICKBOOKS® MADE EASY™

Since 2000, QuickBooks® Made Easy™ has been teaching QuickBooks® seminars around the country for various groups, conducting webinars, and offering industry specific training on DVD-ROM. Our leader and primary trainer Gregg S. Bossen, CPA, is not only an expert in the program, but he is the nation's leading expert when it comes to nonprofits that use QuickBooks®. Gregg's teaching style is funny and entertaining, and his energy and knowledge of nonprofits make his classes a unique experience. Gregg has taught new users, as well as other CPAs, who are themselves considered experts in the software. In total, we have taught over **3,500 seminars to more than 55,000 students.**

We currently teach for over 24 Nonprofit State Associations, as well as annually at Scaling New Heights, QuickBooks Connect, Grant Station, and Tech Soup.
