**Subject:** Engage Forward 2023 Spotlight: The Hands and Feet

Could your nonprofit use some help?

***Class of 2023  
Engage Forward Project  
The Hands & Feet***

In appreciation for the Class of 2023's efforts, we are spotlighting their Engage Forward projects and the great work they have done with local nonprofit organizations. The request for proposals for the Class of 2024 Engage Forward projects is now open.

The Hands and Feet provide essential items to children and families with an open child welfare case so that they can know the support of a caring, loving community. This new and rapidly growing organization asked the class to assist them with logistics and operation refinement so they can help more families efficiently and easily with a mind to scalability. As well the class worked with them to create opportunities to engage the broader community and strengthen relationships with partner organizations.

**Total Hours:  
204 (as of 4/26)**

**Projected Financial Impact: \$6,110**

**The Hands 7 Feet Team**

***Co-Chairs:***

**Bethany Lacey**

**Kim Lancaster**

***Team Members:***

**Dr. Vasilina Binensztok**

**Kenyatta Connaway**
