KTM Foundation Inc & The Marshall Family Christmas Parade & Community Toy Giveaway

KTM Foundation Inc, BElegant CreativEvents & The Marshall Family Presents the 3rd Annual Community Toy Giveaway/Holiday In The Park and Christmas Parade in honor of Late Willie F. Marshall Sr. (BoJack). Mr. Marshall who was the City Of South Bay Former Commissioner back in the 80's suited up as Santa Claus and rode on fire engine yelling Ho Ho Mery Christmas through the main street of Palm Beach Rd and ending at Tanner park where he would meet the children of South Bay and put smiles on their faces by giving each one of them a toy. After talking with Mr. Marshall family 3years ago, Kings Tutoring Mentoring Foundation Inc., BElegant CreativEvents and The Marshall family has teamed up to continue Mr. Marshall Legacy of putting a smile on every child face. So his son Willie F. Marshall Jr. Was honored to carry his Legacy on and has been the Santa his father once was riding through the streets of South Bay. We together collected toys and give them out hoping to have a toy for every child.
