Now Accepting Full Career Scholarship Applications!

Exciting News!

PC Professor has been approved to participate in a job-training grant to help provide technology skills to the South Florida workforce. If you know someone who is unemployed (or under-employed) and lives in Broward, Palm Beach, Martin or Port St. Lucie County, Florida, please have them contact us soon! We are eager to help provide in-demand, high-tech career training to those committed to obtaining work immediately after graduation.

For those who qualify, ALL expenses and services will be covered including tuition, books, registration fees, job placement assistance, phone support, lab time & certification vouchers -- with ZERO out-of-pocket costs.

• A+/N+ Certification: (Computer Repair & Technical Support)
• MCSE: Cloud Platform & Infrastructure (Windows Server 2016)
• CCNA: Hands-on Cisco Networking
• MCSD: App Builder (Programming in C#, HTML5, JavaScript, CSS3 & ASP .net)
• Database: Data Analytics & Management (SQL Server 2016)
• CIW Webmaster (WordPress, Photoshop, HTML, CSS, JavaScript, SEO & more)
• Desktop Software (Windows, Word, Excel, Access, Project, Outlook & QuickBooks)

Here's a link to get started. Upon receipt, you will be contacted by a PC Professor Admissions Rep to arrange a complimentary seat in an informational orientation at our Boca Raton or West Palm Beach campus.
