"Our Elections Team is committed to following all COVID safety protocols and following CDC guidelines to ensure the health and wellness of voters, poll workers and employees," said Wendy Sartory Link, Palm Beach County Supervisor of Elections.

Poll workers will be wearing masks, practicing social distancing, and sanitizing voting booths and common areas throughout the day.

ExpressVote equipment will be available to every eligible voter during Early Voting at all seven Early Voting sites in the upcoming Special Elections.

Historically designated for voters utilizing the machine's ADA capabilities, we were Florida's first county to use ExpressVote for all eligible voters to mark their ballots during an election.

"Voters will enjoy the increased security, easy-to-use technology, reduced risk for marking errors, and greater accessibility that ExpressVote offers. Additionally, your Elections Office benefits from the reduced costs of consumables compared to traditional paper ballots. It's a win-win for Palm Beach County," said Wendy Sartory Link, Palm Beach County Supervisor of Elections.
