The Office of Community Revitalization (OCR) is excited to share information about two great events.

1. Taxes filed free - Please visit the United Way's [website](#) to find information about how to get your taxes filed for free at one of the VITA tax centers, provided you made \$75,000 or less household income during 2023. You can find a location near you by checking [this map](#). Please make sure you visit the website to see what you will need to bring with you before attending. You also have the option of [filing the taxes yourself](#) for **free**, rather than visiting a tax preparation location. The information is in Spanish below, for your convenience.
2. John Prince Park will be passing out free trees, courtesy of Keep Palm Beach County Beautiful, on 2/24/24 at 9:00 AM, in Lake Worth. You can choose between 2 trees per household (1 fruit tree), which include sand pine, satinleaf, sweet acacia, june plum, and mango trees. All trees come in 3 gallon containers, and species and times are subject to changes. Visit [Community Greening](#) for more information.
