**HB 3B (2021) - Pub. Rec./COVID-19 Vaccination Policies and Practices:** Creates public records exemption requirements for employee complaints regarding employer COVID-19 vaccination policies or practices.

**HB 5B (2021) - Florida Occupational Safety and Health State Plan:** Requires the state to develop a plan to oversee occupational safety and health issues for government and private employees.

**HB 7B (2021) - Vaccinations During Public Health Emergencies:** Removes the authority of the State Health Officer to order vaccinations when a public health emergency is declared.
