33426

Question, Persuade, Refer

An emergency mental health intervention for suicidal persons

3 simple steps anyone
can learn to help
save a life from
suicide

Become a Suicide Prevention Gatekeeper

According to the Surgeon General's National Strategy for Suicide Prevention:

A gatekeeper is someone in a position to recognize a crisis and the warning signs that someone may be contemplating suicide like

Friends, family members, neighbors, teachers, doctors, nurses, firefighters, clergy, managers, and most important, possibly you!
