*Did You Miss Prime Time's QIS Directors Gathering?*

## Prime Time's QIS Directors Gathering 2016

Prime Time hosted its 2016 QIS Directors Gathering on September 16, 2016, where 146 program OST directors and assistant directors attended. Attendees explored strategies for managing required commitments for Palm Beach County's Quality Improvement System, and engaging and motivating their staff. Prime Time's Manager of Professional Development encouraged attendees to engage with program staff to elevate the culture of their programs through an exciting presentation that modeled fun activities to use in staff training.
