Script in its entirety:

Hi, I'm Wendy Sartory Link, your Palm Beach County Supervisor of Elections. Primary Election Day in the Special Election for U.S. House of Representatives, District 20, is this coming Tuesday, November 2, 2021. Already, voters across Congressional District 20 have voted by mail or in person at 5 convenient Early Voting sites. To date, nearly 7,000 voters have returned their mail ballot, and approximately 400 have cast their ballot at an Early Voting site. Early Voting continues daily from 10 AM to 7 PM through Sunday, October 31, 2021. You may visit our website, VotePalmBeach.gov for Early Voting locations and their current wait times. Don't forget to bring your photo ID. If you still have your mail ballot and have not returned it yet, please follow these important steps to ensure your vote counts. As of today, we recommend that you do not mail your ballot, but instead bring your completed mail ballot to any Early Voting location during Early Voting hours, a secure drop box, or one of our four offices during office hours. Vote-by-Mail ballots must be received by 7:00 PM on Primary Election Day for your vote to count.

The Special Primary Election Day is Tuesday, November 2, 2021, and the polls will be open from 7:00 AM to 7:00 PM. On Election Day, you must vote at your assigned polling place. Your polling place can be found on your Voter Registration Information Card, on the "Find My Precinct" page on our website, and on the "My Status" page on our website. Before heading to the polls on Election Day, make sure you know your polling location and please remember to bring your photo ID. If you received a Vote-by-Mail ballot but have decided to vote in person instead, your Vote-by-Mail ballot will be cancelled and you will be issued a regular ballot. Our Early Voting locations and polling places are safe, secure, and sanitized. Poll workers will be wearing masks, practicing social distancing, and sanitizing voting booths and common areas throughout the day. Nonetheless, we encourage all voters to practice healthy behaviors to protect themselves and others. Check our website after the election, where we will be posting the Special Primary Election results once the polls close and ballots are tabulated. If you have any questions about how, where, or when to make your vote count, our Elections Team is here to serve you. Call us at (561) 656-6200 or visit VotePalmBeach.gov. See you at the polls!
