Get in Your Element This Fall With a Palm Beach County Library Card

September is Library Card Sign-up Month, a time when the Palm Beach County Library System joins the American Library Association (ALA) and libraries nationwide to remind everyone about the valuable resources available with a library card.

From borrowing books, e-books and audiobooks to getting homework help, to learning new skills, a library card helps everyone do more of what they enjoy. All without stretching the family budget.

Interested in trying a new hobby? The library can help. Thinking about starting or growing a small business? The Palm Beach County Library System offers individual consultations, group tours as well as an extensive collection of business and consumer magazines.

There's something for everyone at the Palm Beach County Library System, and signing up for a library card is the first step on the path to academic achievement and lifelong learning for students. It's elemental, really — everyone should have one!

The Palm Beach County Library System, along with libraries everywhere, continues to adapt and expand services to meet the evolving needs of our community. To sign up for a library card or to learn more about the library's resources and programs, please visit <https://www.pbclibrary.org/librarycard>.

Since 1987, Library Card Sign-up Month has been held each September to mark the beginning of the school year. During the month, the ALA and libraries work together in a national effort to ensure every child has their own library card.

Stay connected with us on social media: @pbclibrary on all platforms.
