

Greetings, parents and students!

The Office of Community Revitalization (OCR) is excited to announce that registration for the 2022 Back to School PBC! is now **OPEN!**

As in the past, registration is by invitation only, and eligible students must register

at [www.backtoschoolpbc.org](http://www.backtoschoolpbc.org) before **Sunday, May 15, 2022** to be able to participate in the event. To be eligible to register, students must reside in one of our designated neighborhoods or in any mobile home park in unincorporated Palm Beach County ([maps of eligible areas are attached for your convenience](#)). To determine eligibility and register, parents or students should go to [www.backtoschoolpbc.org](http://www.backtoschoolpbc.org), enter code **PBCOCR**, the student's home address, the parent's email address, and the parent's cell phone

number. Registration will be accessible online via a PC, tablet, or smart phone in English, Spanish and Creole. After completing the registration, a confirmation email will be sent to all those registered. If you are not eligible this year, and you have previously attended this event, it is possible that you registered for this event through one of our partnering agencies. If this is the case, you will want to contact that agency, and see if they can register you this year. Please reply to this email if you have any questions.
