Help us identify the needs in Palm Beach County.

United Way of Palm Beach County is conducting a survey to help better understand the impact of the COVID-19 pandemic. This information will help us identify trends and local needs and enable us to work with community partners like you to provide resources and support in this difficult time.

The survey is open to all Palm Beach County households from February 24 to March 17, 2021 and is available in both English and Spanish. Survey respondents who provide a valid email address will be entered into a drawing to win one of 10 \$50 Visa gift cards.
